

Bose McKinney & Evans LLP

112,000 Sq. Ft.

Over 2 Million Dollars Saved

The Challenge:

- Move 126 attorneys and 124 staff members into 7 floors in the Chase Tower
- Existing furniture to be integrated into the new space and supplemented where needed
- Move of over 4,000 boxes of confidential files
- Limited elevator access at both locations

"Downtime is a bad word in the legal field. So our goal was to minimize the downtime, which we did with the help of Relocation Strategies."

Vicki Bruce Hansen
CEO, Bose McKinney & Evans LLP

The Solution:

- Reused 85% of existing furniture and negotiated discounts for new
- Worked closely with an internal planning team for over a course of a year
- Coordinated phased moves over 4 weekends prior to the large move over Labor Day weekend

The Summary:

- Created layout for reusing 85% of existing furniture
- Successfully relocated all confidential records
- Multi-weekend move completed on time
- Estimated over two million in savings by re-using existing furniture
