

Rheumatology Associates

11,000 Sq. Ft.

The Challenge:

- Engaged by landlord to speed sale of building
- Fast track vacating of building
- Avoid client downtime
- Replace and upgrade outdated furniture

The Solution:

- Reused 40% of furniture
- Updated look with new furniture
- Stayed within budget

"The value of the service provided by Relocation Strategies was immeasurable. Costs were reduced by the inventory taken of our existing furniture for reuse; valuable time was saved with the multiple quotes obtained. The relocation team coordinated every step of our move from beginning to end. Their dedication and attention to even the smallest detail allowed our physicians and staff to continue working until the day of our move."

Maureen Schoch,
Administrative Director, Rheumatology Associates

The Summary:

- Kept on schedule
- No business hours were lost
- News updates and function office
