

# Advantage Health Solutions 41,000 Sq. Ft.

## The Challenge:

- Move existing 80 workstations, client needed to expand to 168 workstations
- Move confidential records
- Multiple vendors awarded during bidding process

*"Organization and teamwork make a move successful. Relocation Strategies provided the organizational tools to get us moved on time, in budget and without any serious issues. With their guidance, we created a coordinated move team that were able to tackle the task of cleaning out, relocating and tracking and resolving issues. Every member of our organization was able to do their job on the first day in our new building."*

## The Solution:

- Inventoried all existing furniture and created space-plan for new 'typical' workstations
- Created move plan to secure confidential records during move
- Coordinated all contractors to insure schedule was met

CFO, Advantage Health Solutions

## The Summary:

- Created layout for 168 'typical' workstations, 28 private offices and 5 conference rooms
- Successfully relocated all confidential records
- Move completed on time and on budget
- Minimal downtime for staff
