

Onebridge (formerly Smart IT)

23,000 Sq. Ft.

The Challenge:

- Provide specifications for appealing furniture to attract and retain talent
- Create variation in furniture types and layout for collaboration
- Maintain budget while obtaining all new furniture
- Integrate high-tech audiovisual with conference furniture

"Relocation Strategies was invaluable to us as we went through the bidding process for our office furniture. They made a very complex and detailed process, an organized and efficient one that resulted in significant cost savings and transparency. We are extremely happy with the results!"

Karen Cooper
President & Co-founder, Onebridge

Services Provided:

- Created RFP for furniture providing a cutting edge look within budget
- Coordinated data and electrical with furniture layout
- Competitively bid furnishings
- Evaluation of bids and alternatives provided
